Dear Bill:

I am writing to invite you to testify at a hearing before the Subcommittee on Juvenile Justice, on issues relating to the case of Dr. Josef Mengele -- the S.S. Major charged with multiple acts of murder, torture, and experimentation on children at the Auschwitz concentration camp. The hearing will take place on Tuesday, March 19, 1985, at 10:00 a.m., in Room 226 of the Dirksen Senate Office Building.

Your testimony is desired for the purpose of discussing matters relating to the present and past whereabouts and activities of Dr. Mengele, including the 11 documents recently released by the CIA relating to Dr. Mengele. Of particular interest is an article referred to in several of the documents, which was submitted for publication in the International Narcotics Review, but was withdrawn from consideration for publication at some time in 1979. The article is referred to as having been prepared by the CIA's Strategic Narcotics Team and reviewed by the office of Louis Bachrach, Chief of Operations for Intelligence at the Drug Enforcement Administration. Your assistance is requested in promptly obtaining for the Subcommittee a copy of this article.

Your cooperation in this matter is greatly appreciated.

Sincerely,

*Arlen Specter*
